HOBBIES AND INTEREST

- As a student I had always been fascinated by the stage and never hesitated in speaking my mind. Over the period of time I developed the skill for speaking articulately in debate competitions and also was an active member of school drama club. I am a trained Kathak dancer having learnt it for 14 years.
- I am A level at Korean language. I have also been part of several MUN activities and take deep interest in editing our law blog
