PROFESSIONAL SUMMARY

I'm a final-year law student with currently an 8 C.G.P.A. majoring in Intellectual Property Rights (B.A.LL.B.). My future plans are to build a career in the field of commercial and transactional law. Owing to my experience with researching and public speaking as debater since high school as well as being a member of the Delhi MUN circuit from 2014 to 2016, I consider myself to be prepared well for this role. I'm currently in search of rewarding work opportunities to gain a hands on experience that would set me on the right trajectory to further my goals.
