WORK EXPERIENCE

IP Intern at Cholamandal IP, Chennai

December-Ongoing

- Appointed the primary intern under Senior Advocate P. Sanjai Gandhi, the President of the Indian IP Association. Retained beyond the one-month period as a result of outstanding work.
- Drafted 6 Geographical Indication applications, all of which have been reviewed and submitted in their original form and have been reported on by national news sources.
- Drafted both arguments and counter-replies for ongoing cases.

Insolvency and Bankruptcy Intern under AOR Gautam Singh, Supreme Court of India

December-February 2022

- Prepared research packets for ongoing cases, primarily with respect to the IBC, 2016 and labour concerns.
- Drafted counter-replies and assisted in the filing of a writ petition aimed at dissolving the Street Vendors Act, 2014.

Research Assistant for Professor Lu Nan, Centre for Globalisation of Law, Tsinghua University (Comparative Labour Law)

December-January 2022

- Credited contributor to Professor Lu Nan's upcoming book on Comparative Labour Law.

Legal Researcher at SEHER Law

September 2021-Present

- Researching and strategising on non-legal campaigns for the NHRC SEHER case with the specific focus of understanding the link between global fast fashion chains and garment industries in TN, honing in on labour law violations.
- In-depth research (legal/policy based) to help formalise interventions for SEHER's other cases at the intersection of gender, health and law (at both the regional and the national branches of the Human Rights Commission)
- Conducted case law research and helped draft official complaints, to be submitted to the NHRC.
- Worked on UNFCCC petitions and projects, based on the intersection between climate change and reproductive rights.

Trademarks Consultant with the Jindal Intellectual Property Cell (JIPCEL)

August 2021-Present

- Working on pro-bono IP registration

- Advising clients on case-specific trademark registration
- Working with and regularly visiting the Trademark Registry's Chennai office
- Guided clients on the initial stages of patent filing

IPR Intern at Inovent Law Associates, Chennai

July 2021-Present

- Worked on a prominent case involving the unlawful reproduction of an artist's work at a regional art exhibition (copyright infringement)
- Conducting trademark searches, drafting replies to examination reports
- Assistance in daily activity; compilation of case laws, drafting complaints, reviewing written statements, attending proceedings at the Madras High Court

Research Assistant at Jindal Global Law School

June 2021-August 2021

For Professor Kanishk Rai

- Administrative activity: data entry alongside a focus on International and Contract Law
- Credited collaborator on two upcoming publication covering novel approaches to contract formation and new-age communication, alongside regional Smart Contract developments
- Worked on a conference regarding Europe-Asia collaboration; prepared both conference and summary notes

For Professor Sagnik Dutta

- Exploring the cross-sections between the criminal justice system and Hindu nationalism, primarily with reference to minority rights
- Developing a collaborative research paper delving into the same, awaiting publication.

Legal Aid Volunteer, Think India

June 2021-July 2021

- Successfully drafted and advocated for a report on the effectiveness and internal workings of the National Commission for Scheduled Castes (NCSC), in order to assist the victims of the 2021 post-poll political violence in Bengal.
