WORK EXPERIENCE

Internship and professional development The Hope Foundation, Kolkata

07/2021 - 08/2021

Achievements/Tasks

- I was able to help the children I worked with, cope up with the then new norm of online education.
- I was able to spread awareness of self-protection amongst those children.
- I was able to make these children somehow different from what their previous generations had been doing considering in their poor living conditions.
