

Dear Ma'am/ Sir,

Greetings of the day!

My name is Bhuvanewari.S and I am a currently a LLM graduate from Alliance University, Bangalore with Intellectual property Rights as my specialisation.

Since I started pursuing my LLM in IPR, I have had the opportunity to appreciate the subject with more knowledge and in depth studies.

With my past internship opportunities, My primary task was to compile research notes, observe the court proceedings and help with drafting.

Further, I am willing to work as a Trainee for initial period of few months before being considered for a full time position. Lastly, I have completed the course in introduction to legal drafting: contracts, petitions, opinions and articles.

Though I am a fresher, I would be an asset to your firm. I am driven to learn and I can handle new opportunities with great ease.

Therefore, in light of the above, the multi-faceted & diverse nature of work handled by your firm, I would be grateful for an opportunity to interview with your organization for a job.

Please find enclosed my resume for your review. I can be reached via email at bhuvanask4497@gmail.com or by phone at 9585950539.

Please do let me know in case any further documentation or clarification needed from my end.

I enthusiastically look forward to hearing from you soon.

Thank you for your time and consideration.

Sincere regards,

Bhuvanewari . S
