

I have completed my 5 year law degree BA LLB from Symbiosis Law College, Noida in June 2022 . I am looking for an opportunity in your respected firm.

In the few years of being involved in the legal profession, I have done 8 internships (4 of them were litigation , and and few at firms and 1 was at an NGO), through these internships I have dealt with subject matters concerning following fields of law:

1. Intellectual Property Law
2. Administrative Law
3. Company Law
4. Taxation Law
5. Labour law
6. Investment law

Currently pursuing Diploma in IPR.

As a result I have become quite comfortable working in subject matter related to above-mentioned legal fields and would enhance my abilities and learn about Intellectual Property as it is an emerging field
