Introduction:

After gaining technical experience in the field of IPR for 3.5+ years, I started a new journey at Faculty of Law, University of Delhi to enhance my legal knowledge not only in IPR but also other legal domains. In 2+ years of pursuing LL.B., I came across various important legislations and judicial precedents which have helped me gain a strong grip over the field. I further look forward to utilize my techno-legal experience in my professional journey of becoming a successful Corporate Lawyer.

Professional Experience:

August 2022-Present

Registered Patent Agent (IN/PA-4870)

- In my journey as an IPR professional, a new milestone added which was clearing the Patent Agent Examination 2022.

January 2017 – May 2020 (3 years 5 month):

Team Lead – Patent Research, Signicent Information Solutions LLP

- At Signicent, I got a chance to proactively learn about the dynamic field of Intellectual Property Rights and use the knowledge which I gained during my B.Tech. Here, I acquired skills to contribute towards the growth of company as well as my personal growth and worked on various types of projects in the IPR field such as:
 - Patentability Analysis
 - State of Art Analysis
 - IP Landscape Analysis
 - Invalidation Services
 - Invalidation Services
 - Benchmarking Analysis
 - Freedom-to-operate Analysis
 - Portfolio Analysis
 - Design Analysis
 - Patent Drafting
 - Trademark Analysis
 - Prior Art Searches
 - FER Replies

Internship Experiences:

December 2022

Legal Intern- Khurana & Khurana Advocates & IP Attorneys

- My internship at Khurana & Khurana gave me an insight about the prosecution phase of the Patent grant process. The major tasks carried out by me during course of this internship was to deal with the various objections raised by the Controller in the FER report and draft FER replies for the same. This further included the amendment of the claims, comparative analysis of the subject invention with the prior arts cited by the examiner in FER, or the like. During the internship, I also worked on various blogs based upon the recent IP based judgements.

October 2022

Legal Intern- Competition Commission of India

- My internship at CCI gave me a holistic view of the competition law regime in India. I got an opportunity to work with my mentor Mr. Arpan Sharma (Deputy Director (LAW) - CCI) who guided me throughout my internship. I was allotted 2 projects at my internship, of which one was to present a report to Anti-Trust Division officers regarding the Patent Filing Procedure in India. The second and the key project was on Topic: Licensing of IPR rights and Competition Law.

March 2022-April 2022

Legal Intern- Chambers of Advocate Amit Rao, Delhi High Court

- The key take aways of this internship is the practical experience to present ourselves before various district courts and Delhi High Court on the behalf of Mr. Amit Rao in various disputes ranging from marriage disputes, criminal bails, IPR matters related to trademarks, etc.

January 2022-February 2022

Legal Intern- UAdvocate (under guidance of Mr. JEEVAN PRAKASH AOR, SUPREME COURT)

- This internship was an online internship intended to enhance the legal knowledge about key topics such as rights of rape survivors, FIR, Contractual obligations, Live-in relations, False claims, Motor accident claims, Wife's Right to Maintenance, Police interrogation; Employment injury; Professional indemnity, medical consent form etc.
