Looking for opportunities to enhance my knowledge of the legal field and to come face-to-face with the realities of international and corporate law.

EXPERIENCE

Legal Intern

The Space Court Foundation Inc. | March 2022 - Present

- Summarized Andrew G. Haley's book on space law "Space Law and Government", with emphasis on the Chapter on Liabilities of Sovereign Nations
- Working with The Big Book Of Space Law team to compile space law related legislations and policies of various countries; currently focusing on the Indian Space Law and Policy.

Legal Intern

One Legalis Square | January 2023 - January 2023

- Delved into the field of constitutional law researching The "Hijab Ban" Judgment and other cases involved in tandem.
- Published a research article on "Economics of IP" dealing the financial and economic aspects of IP Law

Legal Intern

Office of Avneesh Arputham (AOR, Supreme Court) | November 2022 - November 2022

Interned under AOR Avneesh Arputham and provided ample research on the extension of limitation on contracts and application of arbitration act with analysis of multiple judgements to aid with ongoing cases

Legal Correspondent

Aequitas Victoria Foundation, India | September 2021 - February 2022

Covered health and family law in monthly articles for The Nyayik Samachar newsletter.

Legal Intern

CIPRA NLSIU, Bengaluru, Karnataka, India | November 2021 - November 2021

Worked on a research paper in the field of IP in Space Law and presented the same, along with weekly articles on various other prominent IP issues.

Legal Intern

Advocate Rohit Gowda, Bengaluru, Karnataka, India | January 2020 - February 2020

Interned under Advocate Rohit Gowda, High Court Government Pleader. Work assigned was related to Major Criminal Acts and regular court visits strengthened my understanding of Criminal Procedure.

Legal Intern

Damodar Misra, Kanpur, Uttar Pradesh, India | July 2019 - August 2019

SKILLS

- Public International Law
- Intellectual Property Law
- Space Law
- Corporate and Business Laws
- Banking and Finance
- ADR
- Legal Analysis and Research

Interned under practicing Advocate Damodar Misra. Court visits, legal researching, proof reading and similar tasks were assigned and the Advocate had extensive knowledge in Client Counseling which was amazing to experience during client visits.

EDUCATION

Bachelor's degree, 5 year BBA LLB

KLE Society's Law College at Bengaluru | 2018 - Present

Courses focused on:

- Public International Law
- Corporate and Business Laws
- IP Laws
- Arbitration and Negotiation
- Family Law

12th Standard in Science

Sri Bhagawan Mahaveer Jain College at VV Puram, Bangalore | 2016 - 2018

10th Standard

Swargarani School And PU College at Bengaluru | 2012 - 2016

PUBLICATIONS

1. Research Article

Supreme Court Split “Hijab Ban” Judgement

One Lēgālis Square, January 2023

This article delves into the background and issues raised in the Supreme Court leading to the divisive judgment

2. Research Article

Economics of Intellectual Property

One Lēgālis Square, January 2023

This article provides an economic analysis of intellectual property in today's world where “proptertizing” has become a trend

3. Research Article

Trademark suits against sponsored influencers and bloggers

Centre for Intellectual Property Rights Research and Advocacy, NLSIU, November 2021

Can an influencer be held liable for trademark infringement if they are paid to promote a brand and the brand's name is trademark-infringing? This article deals with trademark lawsuits against influencers

4. Research Paper

Reconsidering the current laws on invention in outer space

Centre for Intellectual Property Rights Research and Advocacy, NLSIU, November 2021

There is a legal vacuum in the field because the current IPR regime fails to resolve the problem of its applicability to activities in space. This research paper examines the challenges involved with the current IP regime in outer space, and improvements that could come with time.
