Respected Sir/Madam,

I am writing to express my interest in the legal intern position at your firm for the month of April. Fascinated by the legacy, reputation, amazing spheres of expertise and years of experience that this firm holds, I aspire to intern here in order to gain boundless exposure and knowledge in the thriving field of intellectual property rights dealt with by this firm. I believe that, an internship opportunity in this firm will teach me the nitty-gritty of this area of law and equip me well for this legal profession.

For the past two and a half years, I have been engaged as a law student at the Sarsuna Law College, affiliated with the Bankura University, where I have written a considerable number of assignments on interesting topics given by my respective subject teachers, thereby allowing me to perform an extensive and in-depth research on topics like “Ecotourism”, “International Organization and Protection of Cultural Property” “Private Defense”, “Mediation Agreement, “Infringement of Copyright Law in India” and many other. This institution has given me opportunities to attend legal workshops and seminars and conferences on vital legal topics that have enriched my legal knowledge further. Also, participation in moot courts has enabled me identify my argumentative skills. I believe my background combined with my sincere interest for your firm and this position will make me a strong addition to your organization. I appreciate your valuable time and consideration.
