- iv. **Adv. J.S. Shakya** (June & July 2022) (Private Practitioner)  
I now have a rudimentary understanding of how the *district court* operates thanks to my internship. I was aware of how to file a lawsuit in a civil case, how to appear in one, as well as the process of creating a bail application and office tasks. Since I spent most of my time at the courts studying the procedure, I also had the opportunity to observe how one should behave there. I've tried to comprehend the inner workings of the lower courts, but this experience has been the most helpful.
- v. **All India Law Student Federation** (July, 2020) (Publication House)  
The work involved writing about various areas of law such as corporate law, *intellectual property, real estate, criminal law, family law*, and others. I was involved in proofreading and editing the content produced by other writers and assisting in the publication and distribution of the content. I received a basic *understanding of legal concepts and terminology*, as well as the ability to communicate complex legal information in an easily understandable manner.
- vi. **The Entrant & Law Times Journal** (April- July, 2021) (Journal & Blog)  
Worked on research for *News analysis, Case law Analysis, Teaching & Video Editing*. I was guided by my manager to work on the 'YouTube' channel of 'The Entrant'. I made animation

videos on daily news and explanation videos on Case laws. I made around 80+ videos for the channel. The top video gathered around 2.5k views on youtube.
