CAREER OBJECTIVE

Aspiring to gain a dynamic and challenging role in the area of Intellectual Property Rights that will offer the best opportunity for further development of my abilities, skills and knowledge in a highly reputed organization with long term career growth possibilities. I am a registered Patent Agent at the Indian Patent Office with 9+ years of IPR experience and have prosecuted around 5000 examination reports and around 1000 hearing notices.

SYNOPSIS

Practicing as a patent attorney for around 9 years, I have been handling patent issues relating to innovations in the areas of Electronics and Telecommunications engineering, Electrical and Mechanical engineering, Biomedical Instrumentation, Software Technology, Robotics, Electric Vehicles, Blockchain, IoT, and Artificial Intelligence. At the beginning of my career, I have worked on various projects related to electronic engines and control systems in the Technology Division of BEML Limited. My responsibilities in the firm include drafting patent specifications, prosecution of applications filed with the Indian Patent Office and other Foreign Patent Offices, drafting pre-grant and post-grant oppositions matters before Indian Patent office, drafting Appeals before IPAB and High Courts, appearing for hearings in prosecution, opposition and appeal related matters, providing patentability and infringement opinions, and performing prior art searches. I am an active member of the Prosecution, Appeal and Opposition teams of SMCO. I am a registered Patent Agent at the Indian Patent Office and have appeared for more than 750 Section 15 hearings.
