PERSONAL ACHIEVEMENT

Jan 2021 — Present

Founder & Director, Lex Root Pvt Ltd

Noida

- **Incorporated Lex Root Pvt Ltd:** Founded the company and personally navigated the incorporation process, starting with the strategic filing of the company name via the Ministry of Corporate Affairs (MCA). Secured a Director Identification Number (DIN) as a foundational step towards legal identification and authority within the company.
- **Drafted and Filed Crucial Documents:** Demonstrated a deep understanding of corporate law by drafting the Articles of Association (AoA) and Memorandum of Association (MoA), instrumental documents that outline the company's framework and operational blueprint.
- **Achieved Successful Company Registration:** Managed to get Lex Root Pvt Ltd officially listed on the MCA within a challenging timeline of 45 days, showcasing perseverance and meticulous attention to regulatory requirements.
- **Ensured Financial Compliance:** Took the initiative to file for GST, TAN, and PAN for the company, navigating the complex tax environment to ensure Lex Root Pvt Ltd stands compliant with Indian tax laws.
- **Led Trademark and Patent Initiatives:** Conducted comprehensive research into trademarks and software patents, successfully filing a trademark for Lex Root Pvt Ltd. This effort not only protects the brand's intellectual property but also demonstrates foresight in securing the company's innovative outputs. Further explored the landscape of legal tech patents to position Lex Root Pvt Ltd at the forefront of legal technology advancements.

Key Projects:

LilithLaw AI (also known as Lawyer AI):

- **Developed LilithLaw AI:** Created LilithLaw AI, India's first legal AI tool. I played a crucial role in its development, from the initial concept to creating a fully operational tool tailored for the Indian legal system. My responsibilities included designing the source prompt, the user interface and ensuring the AI was accurately trained with over 2,000 legal documents. This meticulous process significantly improved its capability to understand and apply Indian law, making it more adept than existing solutions, including ChatGPT, for Indian legal contexts.

Lawmen.in:

- **Leading Lawmen.in Development:** I'm at the forefront of growing Lawmen.in, a site focused on tech and IP law in India. This platform is designed for legal professionals to exchange knowledge, enhancing collaboration and deepening the understanding of these critical fields within the Indian legal framework.

TheSpoiledLawyer.com (Closed):

- **Launched TheSpoiledLawyer.com:** In my first year of law school, I created TheSpoiledLawyer.com, a platform designed to encourage sharing of legal notes and research papers among law students and professionals. This early project showcased my commitment to using technology to enhance legal education and professional practice.

CO-CURRICULAR ACTIVITIES

Jan 2023 — Present

Centre for Intellectual Property

Member

- **Participated in Centre for Intellectual Property:** Engaged in expert discussions on IP law, enhancing my grasp of its complexities. Led digital IP law transformation research, aligning with global standards to maintain competitive approaches. This experience significantly broadened my legal understanding and research capabilities.

EXTRA-CURRICULAR ACTIVITIES

District Level Badminton Championship

- **Athletic Distinction:** Clinched the District-Level Badminton Champion title in Malda Town, West Bengal, demonstrating superior physical fitness, strategic prowess, and a relentless pursuit of excellence, achieved through rigorous training and disciplined sportsmanship.

Elementary Pilot at Paragliding

- **Elementary Pilot:** Completed an immersive and comprehensive paragliding training, culminating in the APPI 1 Discover license. This course entailed rigorous ground training, multiple low and high-level flights, and mastering paragliding fundamentals.
