TECHNICAL SKILLS

Languages: English & Hindi

- a) **Comprehensive and Concise Legal Research & Drafting Skills:** With predominant exposure to research work, during all my internships, and the expectation of optimal presentation, subject to tailored degrees of depth and brevity; I have been equipped with the ability to pursue challenging research tasks, while adhering to exact expectations and delivery both in depth as well as summarized research. I am well versed with the skill of navigating through various research platforms.
- b) **Effective Legal Argumentation:** With the presentation of my research, subject to the expected 'proposition', I have been able to structure legal claims/arguments and pertinent research to induce maximum impact.
- c) **Effective and Clear Communication Skills:** Upon working at primarily law firms and corporate environments, I am well-equipped with the ability to maximize information extraction and retention in limited timeframes by addressing clear and targeted questions. I am also equipped with superlative comprehension, and professional communication abilities, justified by my experience as a competitive debater.
- d) **Optimized Collaboration Skills:** Upon working in law firms and corporate environments, I am familiar with the optimization of collaboration and team work to efficiently deliver qualitative work.
- e) **Professionalism and Perseverance:** Superlatively accomplishing the exact- expectations, without giving up due to adversity.

Familiar with the skill of Intellectual Property Rights. Familiar with Trademark searches, giving opinion and patent drafting along with the requisites of contract drafting.
