INTERNSHIP EXPERIENCE

ADVOCATE ANIRBAN RAY, CALCUTTA HIGH COURT

Nov-Dec 2023

- Attended court proceedings at Calcutta High Court and City Civil Court.
- Read and analysed case briefs based on the Arbitration and Conciliation Act of 1996.
- Learned about execution applications and arbitral awards.
- Read about Original Jurisdiction, Appellate Jurisdiction, and their differences. A court exercising original jurisdiction is the first court to hear the case, whereas appellate jurisdiction refers to the power to review the decisions of other courts that have already issued rulings in a given case.
- Learned about the Execution Petition. An execution petition means a petition to the court for the execution of the decree or order as per Rule 2(e) of the Code of Civil Procedure 1908. In simple words, a decree holder to satisfy the judicial orders has to follow the judicial procedure for the execution.
- Learned about Demand Notice. A creditor sends a demand notice to a debtor, formally requesting payment for an outstanding debt. Creditors typically use a demand notice to formally request payment when a debtor has not paid a debt in a timely manner.
- Learned about Notice of Motion. A notice of motion is a written application to the Court. This document requests the Court to issue a ruling or order on a legal matter. These motions are the first step a party must take before the Court can weigh in on a legal matter.
- Learned about Restoration Application. If any application or suit has been dismissed as default then it can be sought for restoration subject to filing an application within 30 days of such order.
- Learned about Arbitral Awards.

- Section 34 of the Arbitration and Conciliation Act 1996. Application for setting aside arbitral award.
