An aspiring lawyer and a fourth-year student at the KIIT School of Law, Bhubaneswar. Proficient in legal research, writing, and analysis, with a keen interest in Intellectual Property Law. Eager to contribute to a dynamic legal team and gain practical experience through internships and pro bono opportunities. Determined, adaptable, detail-oriented, and committed to upholding ethical standards in the legal profession, always seeking an opportunity to put my knowledge into practice.

## EXPERIENCE

**Adv. Soumya Nag**, Remote - Legal Intern 1 July 2023 - 31 July 2023

Demonstrated strong legal research and writing skills by assisting in the preparation of written notes of arguments. This firsthand experience provided invaluable insights into client communication and legal strategy. Assisted in researching relevant case law for reference, and drafting petitions under various sections of the CrPC, including 438, 439, 374(2), 401, and 482.

**Adv. Shiv Shankar Banerjee**, Remote - Legal Intern 1 Jan 2023 - 31 Jan 2023

I began by observing courtroom proceedings. I was then entrusted with drafting basic documents, crafting case notes, and assisting with legal research. I had the unique opportunity to accompany my supervising lawyer to client meetings, actively engaging in case discussions. In my mentor's absence, I confidently handled case transfers within the courtroom, demonstrating initiative and responsibility.

**Office of Pradeep Rai**, Remote - Legal Intern 1 Dec 2022 - 31 Dec 2022

My primary responsibility during my internship was to check newly filed cases in the Supreme Court. This involved meticulously reviewing case files, finding key information, and summarizing the details in concise and informative case briefs. These briefs were then presented to my supervisor for further review.

Additionally, I was tasked with researching the highly complex and sensitive case of the Kandahar hijacking. This involved delving into extensive legal documents, analyzing court proceedings, and critically evaluating various perspectives to gain a comprehensive understanding of the case. My research findings and insights significantly contributed to my supervisor's ongoing
