SUMMARY

I am currently a fourth-year BA.LLB student at Heritage Law College, Kolkata, with a CGPA of 7.2. I have extensive experience as a paralegal and legal assistant, working on platforms like Upwork and Fiverr. I have drafted and revised a wide range of legal documents for international clients, including NDAs, employment agreements, and website legalities. I have completed multiple certifications in Intellectual Property law and Technology law. My internships have helped equip me with practical skills in contract drafting, legal research, and digital contract management.
