Objective

My current career goal is to apply my existing skills in the field of law to assist organizations in productive completion of their work. I also aim at constantly learning more skills in my field and expand my knowledge further.

Experience

- Chaubey and Associates** 1/04/2024 - 30/05/2024
Legal intern
During this internship, I had learnt about the practical aspects of intellectual property rights and how to implement these rights of parties in court. I had also assisted in preparation of summary drafts of trademark and copyright cases.
- Legal Vise** 08/08/2021 - 22/09/2021
Legal intern
During this internship, I had learnt about legal research using tools like Manupatra and SCC online and understood how to write legal articles.
- Victor and Moses** 5/7/22 - 5/8/22
Legal intern
During this internship, I had assisted my senior in administrative work and case draft preparation related to company law cases. I also had to accompany my senior to NCLT for hearings.
- Biswajit Sarkar IP Attorneys and Advocate** 01/1/24 - 25/02/24
Legal intern
During this internship, I had read various briefs related to Intellectual property rights case laws and conducted extensive legal research to find out similar case laws and judgements passed previously. I had also assisted my senior in preparing legal arguments for the case briefs related to trademark and copyright.
