Career Goals

As a dedicated legal professional, I aim to leverage my expertise in the field of IP Laws mainly in Patents and Trademarks. My goal is to contribute to innovative legal strategies that protect and enhance clients' intellectual property portfolios. As there is tremendous development in field of fashion, sports and media, I am seeking an opportunity where I can contribute for the protection of said fields. Further want to seek a challenging role at a leading law firm or Corporation where I can utilize my knowledge, skills, learnings, experience to provide top-tier legal counsel.

At present, being a recent law graduate with a specialization in intellectual property, I am eager to join a dynamic legal team as a Junior Associate. I am enthusiastic about contributing to the protection of IP Rights and gaining hands-on experience in IP litigation and regulatory affairs.
