STATEMENT OF PURPOSE

I completed my LLB from CLC, Faculty of Law, Delhi University. As a hardworking and focused person, I have always believed that it is the ability of a person to keep learning and developing oneself through diverse experiences that makes him/her prepared for the challenges of the future.

In my previous role as Intern (Legal Advocacy) under Advocates and reputed Law firms and as Intern (Legal Research) at Competition Commission of India and Insolvency & Bankruptcy Board of India, I developed strong research and analytical skills, which I believe will be invaluable for a progressive organization's emphasis on legal solution oriented decision-making.

Additionally, my proactive nature and ability to work effectively in collaborative team environments make me an ideal fit for the dynamic and innovative culture of legal practice.
