SUMMARY

As a third-year law student, I am actively seeking an internship at a reputable firm where I can build upon my strong foundation in legal principles and further refine my contract drafting skills. I am eager to deepen my understanding of legal documentation and negotiations while applying my analytical research, legal writing, and communication skills to real-world legal challenges. I thrive in both independent and collaborative environments and seek a mentorship-driven opportunity that fosters professional growth, critical thinking, and practical legal experience. I am eager to make a valuable contribution to complex legal matters while gaining insights and knowledge from s professionals in the field.
