ATRI DEVELOPERS, KOLKATA (JUNE-JULY 2024)
Intern at In-house Legal Counsel

Gained in-depth knowledge of Indian real estate laws, including RERA, property rights, and land acquisition. I was responsible for drafting, reviewing, and negotiating a wide range of contracts, including sale agreements, joint venture agreements, and lease deeds. My role also involved

conducting due diligence, resolving legal disputes, and ensuring compliance with regulatory requirements. This hands-on experience helped me develop strong legal drafting skills and a comprehensive understanding of the legal aspects of real estate transactions.

ADVOCATE SOUMYA NAG, KOLKATA HIGH COURT (JULY 2023)

Intern

Honed my legal research and writing skills by contributing to the preparation of comprehensive written notes for legal documents. This practical exposure offered me crucial insights into client communications and the formulation of legal strategies. I was actively involved in researching case laws to support arguments and played a role in drafting petitions under various sections of the Code of Criminal Procedure (CrPc), including sections 438 (anticipatory bail), 439 (bail), 374 (2) (appeals), 401 (revision) and 482 (inherent powers of the High Court).

In the absence of my mentor, I confidently managed case transfers within the courtroom, demonstrating initiative and responsibility.

OFFICE OF PRADEEP RAI, NOIDA (DECEMBER 2022)

Intern

Monitor newly filed cases in the Supreme Court. This involved meticulously reviewing case files, extracting key information, and summarizing the details in concise and informative case briefs. These briefs were then presented to my supervisor for further review and action. Additionally, I was tasked with researching the highly complex and sensitive case of the Kandahar hijacking. This involved delving into extensive legal documents, analyzing court proceedings, and critically evaluating various perspectives to gain a comprehensive understanding of the case. My research findings and insights significantly contributed to my supervisor's ongoing efforts to draft a comprehensive research paper on this historically significant event.
