COURSEWORK INFORMATION

Completed comprehensive coursework in constitutional law, contract law, civil law, and criminal law. Developed advanced legal research and writing skills through case analysis and practical exercises, including visits to a real courtroom and legal drafting & Gained proficiency in applying legal principles to real-world scenarios, fostering critical thinking and advocacy skills essential for a successful legal career from internship experience.

INTERNSHIPS

Qualcomm India Pvt. Ltd, Hyderabad (Present)

During my ongoing internship at Qualcomm in the Patent Prosecution and Management role, I have been actively involved in several critical areas of intellectual property management. My responsibilities encompass a range of activities that are essential for the effective prosecution and maintenance of patents within the company's extensive portfolio like, **Patent Drafting, FER Responses, Claim Drafting, Oppositions proceedings**. Overall, my time at Qualcomm has been instrumental in developing my expertise in patent prosecution and management while contributing to the company's innovative initiatives in wireless technology.

Srinivas Ajjarapu, Advocate, Visakhapatnam

Engaged in legal research for civil suits, criminal suits, constitutional writing petitions, arbitration cases, DRT cases, Lok-Adalat cases, and NCLT cases. Assisted in drafting legal notices, legal opinions, suit filings, affidavits, complaints, written statements, etc., communicating with clients in case updates and preparing them for next adjournments. I had attended the District Court and DRT in Visakhapatnam for case proceedings and the High Court of Andhra Pradesh for case proceedings with the Advocate.

Debts Recovery Tribunal, Visakhapatnam

Engaged in Legal research for matters related to Banking and financial sectors, I observed the courtroom of DRT and procedures followed in tribunals. I assisted the officers of the tribunal in dealing with further steps in the various cases and searched for relevant judgements in cases concerned. I communicated with advocates & clients for case updates and further proceedings. I attended the DRT in Visakhapatnam and absorbed the practical aspects of dealing with financial cases.

YNR Law Chambers, Visakhapatnam

I prepared documents, affidavits, complaints, legal opinions, suit filings, and legal notices, among other papers, and I also conducted legal research for matters involving mediation, DRT, Lok-Adalat, NCLT, criminal and civil actions, and constitutional writ petitions. I was ensuring clients with case updates and preparing them for forthcoming adjournments and observed the processes in the DRT & The District court of Visakhapatnam. I was also involved in matters related to drafting of vetting reports & legal opinions concerning loans and property issues for various banks and financial institutions.

ENTREPRENEURIAL EXPERIENCES

A NGO formed by student group

DHATHA

I, along with my batchmates, formed an uncertified NGO under the name "DHATHA" in bachelors, which was for the purpose of serving the needy and poor in society. We used to visit the slums and unratified parts of Visakhapatnam and would take classes for their children and look into their main issues. We used to collect used mattresses, used buckets, and other used products from hostels, gather food and medicines from various sources, and distribute them to slum colonies & orphan care centers.

EXTRA CURRICULAR ACTIVITIES

Badminton, Painting, Drawing, Cooking, Fitness, Creative Writing, Volunteering for gardening.
