### CAREER OBJECTIVE

I am a final-year law student at Amity University, Kolkata, specializing in Intellectual Property Rights (IPR). Having recently completed my penultimate semester, I bring practical experience from internships with an advocate at the Calcutta High Court and a private law firm. I am deeply passionate about music, movies, sports, and the entertainment industry, which has inspired me to pursue a career in IPR within this sector. My goal is to deepen my understanding of the legal framework governing this field and contribute actively to protecting both human and property rights in the entertainment profession.
