

## PROFILE SUMMARY

Highly motivated law student with a strong passion for intellectual property rights (IPR) and arbitration. Proficient in conducting thorough legal research, analyzing complex cases, and producing high-quality content on IP-related issues. Recognized as a published author in the field of trademark protection within the fashion industry. Developed excellent advocacy and research skills through active participation in moot courts and mediation competitions. Previous internships have provided valuable experience in legal research, drafting, and content creation specifically in the areas of IP law and arbitration. Proud member of Let the Raven Talk and The Arbitration Digest, actively contributing to the growth and development of the legal community.
