CAREER GOAL

I am a law student with a strong interest in intellectual property rights (IPR), corporate and commercial law, and family and criminal law. I have developed skills in legal research, drafting, and case analysis through academic and internship experiences, gaining exposure to IPR filings, contract negotiations, and dispute resolution. I have worked on diverse matters, including IPR filings, corporate transactions, contract negotiations, and dispute resolution, providing me with a solid understanding of various legal domains. I am committed to leveraging my education and skills to build a successful legal career. My goal is to continuously grow and specialise in my areas of interest while fostering a practice that prioritises ethical and client-focused advocacy.

CORE SKILLS

- Research Skill
- Drafting Skill
- Trade Search
- Pleading Skill

EXPERIENCE

01/2025 - 01/2025

Legal Intern

Lexclaim - Delhi, India

My tasks included conducting trade searches, drafting complaints, preparing case briefs, and researching USPTO regulations for a client seeking IP protection in the U.S. I also analyzed Order VII Rule 11 CPC alongside relevant provisions of the Patents Act to assess suit maintainability. Additionally, I authored 20 articles on various legal topics for the LexClaim website, honing my research and writing skills. This internship enhanced my understanding of IPR laws, procedural rules, and practical legal drafting.

01/2025 - Current

Legal Intern

KPS Advocates - Gurugram, India

During this virtual internship, I am responsible for conducting research on various legal topics, including intellectual property rights (IPR) and opposition examination, the Negotiable Instruments Act (NI Act), the Corporate Insolvency Resolution Process (CIRP), and regulations under the Insolvency and Bankruptcy Code (IBC).

06/2024 - 07/2024

Legal Intern

Atri Developers - Kolkata, India

I gained an in-depth understanding of Indian real estate laws, including the Real Estate (Regulation and Development) Act (RERA), property rights, and land acquisition. My responsibilities involved drafting, reviewing, and negotiating a variety of contracts, such as sale agreements, joint venture agreements, and lease deeds. I also conducted detailed due diligence, addressed legal disputes, and ensured compliance with applicable regulatory requirements. This hands-on experience allowed me to refine my legal drafting skills and develop a thorough understanding of the legal and procedural aspects of real estate transactions.

07/2023 - 07/2023

Legal Intern

Adv. Soumya Nag, Kolkata High Court - Kolkata, India

Honed my legal research and writing skills by contributing to the preparation of comprehensive written notes for legal documents. This practical exposure offered me crucial insights into client communications and the formulation of legal strategies. I was actively involved in researching case laws to support arguments and played a role in drafting petitions under various sections of the Code of Criminal Procedure (CrPc), including sections 438 (anticipatory bail), 439 (bail), 374 (2) (appeals), 401 (revision) and 482 (inherent powers of the High Court).

01/2023 - 01/2023

Legal Intern

Adv. Shiv Shankar Banerjee, Kolkata High Court - Kolkata, India

I was entrusted with drafting essential legal documents and preparing case notes, which strengthened my understanding of civil procedure and legal writing. Additionally, I also attended client meetings where I actively participated in discussions, further enhancing my client interaction skills. In the absence of my mentor, I confidently managed case transfers within the courtroom, demonstrating initiative and responsibility

12/2022 - 12/2022

Legal Intern

Office of Pradeep Rai - Noida, India

Monitor newly filed cases in the Supreme Court. This involved meticulously reviewing case files, extracting key information, and summarising the details in concise and informative case briefs. These briefs were then presented to my supervisor for further review and action. Additionally, I was tasked with researching the highly complex and sensitive case of the Kandahar hijacking. This involved delving into extensive legal documents, analyzing court proceedings, and critically evaluating various perspectives to gain a comprehensive understanding of the case. My research findings and insights significantly contributed to my supervisor's ongoing efforts to draft a comprehensive research paper on this historically significant event.

06/2022 - 07/2022

Research Intern

TRUTH AND YOUTH - India

I collaborated with fellow students to write research papers on various topics. We conducted extensive literature reviews, collected and analyzed data, and synthesized our findings into comprehensive reports. This experience honed my research skills, improved my ability to work effectively in a team, and enhanced my proficiency in academic writing. The collaborative environment also provided valuable insights into different perspectives and approaches to research.

04/2022 - 05/2022

Journalism Intern

AsianaTimes - India

I was tasked with writing the day-to-day news and searching for more relevant ones mostly in politics and government policies. I have written over 100 articles for the news channel.

08/2021 - 01/2022

Research Intern

GETLEGAL INDIA - India

I worked as a legal content writer. I leveraged my research skills to contribute to over 25 publications addressing contemporary legal issues and an analysis of various judgments passed by the Supreme Court.
