Profile

A Registered Patent Agent with a background in pharmaceutical sciences, seeking a role in patent drafting, prosecution, and intellectual property management. Passionate about leveraging my technical expertise and legal knowledge to assist in patent filings, prior art searches, and innovation protection

Education

Bachelor of Pharmacy

Jun 2019 - Aug 2023

Trinity College of Pharmacy, Pune

I successfully completed my Bachelor of Pharmacy (B. Pharma) degree with an impressive overall score of 87.46%. Throughout my academic journey, I developed a strong foundation in pharmaceutical sciences, including pharmacology, pharmaceuticals, and drug formulation. My dedication to excellence and hard work contributed to my high academic performance, and I am excited to apply the knowledge and skills I have gained to the professional field.

Higher Secondary Certificate

Jun 2017 - Jul 2019

S.S. & L.S. Patkar College of Arts & Science, Mumbai

I successfully completed my 12th-grade examinations, achieving a score of 66.15%. This result marks an important milestone in my academic journey. It reflects my perseverance and the lessons I've learned throughout my studies.

Secondary School Certificate

May 2017

Nutan Viday Mandir Highschool, Malad, Mumbai

I successfully completed my 10th-grade examinations with a remarkable score of 91.60%. This achievement reflects my dedication, hard work, and commitment to academic excellence.

Employment

Intern, Pharmacy

Jan 2023 - Jan 2023

Shalina Laboratories Pvt Ltd, Pune (Remote)

Enhanced intern productivity by assisting with project coordination and providing ongoing support. Streamlined office processes for improved efficiency and time management through regular organization and filing. Contributed to a positive team environment by collaborating with fellow interns on group projects and presentations. Supported staff members in their daily tasks, reducing workload burden and allowing for increased focus on higher-priority assignments

Intern, Direction Educare

Apr 2022 - May 2022

Direction Educare, Work From Home

Developed engaging and informative educational content tailored to specific target audiences, ensuring clarity and coherence in conveying complex concepts. Conducted thorough research on educational topics, staying abreast of the latest trends and developments to produce relevant and up-to-date content. Collaborated closely with the instructional design team to align content with curriculum objectives and learning outcomes, ensuring consistency and effectiveness. Edited and proofread content for accuracy, grammar, and style, maintaining high-quality standards and adherence to brand guidelines. Assisted in the creation of multimedia content, including videos, presentations, and interactive modules, to enhance the overall learning experience. Utilized data analytics and Feedback to assess content performance and make data-driven recommendations for improvement, contributing to continuous optimization efforts.

Extracurricular activities

- Participated in the International Webinar Series on Artificial Intelligence in Drug Discovery.
- Awarded the runner-up position in the Pharma Tech Expo 2023 for my poster presentation on "Artificial Intelligence in Health Care System: Cancer".
- Won the national-level Review Writing Competition organized by Academic Decipher. Completed the Training Program under the National Intellectual Property Awareness Mission initiative.
- Achieved Lean Six Sigma Certification.
- Completed the online course on Quality by Design and Process Analytical Technology by Ashokrao Mane College, Vadagaon.
- Participated in the Casetimation of ENCORE SPECTRUM organized by Symbiosis Center for Information Technology (SCIT), Pune as part of Team SUCCESS.
- Completed the Strategy Consulting Virtual Experience Program.
- Registered Pharmacist License
- Patent and Design Drafting
- Collecting High-Quality ADR Reports - WHO
- Causality Assessment of Case Series - WHO

Publication

- Chandrika Kadam, Viral Chronicles: The Ever-Evolving Saga of COVID-19, International Journal of Virus Studies (IJVS), Volume 01, Issue 01, May 27, 2024.
- Chandrika Kadam, "Unveiling the Synergy: Sciatica, Arthritis, and Their Integrated Approach to Wellness", International Journal of Vaccines (IJV), Volume 01, Issue 02, March 30, 2024.
- Chandrika Kadam, Nalanda Rangari, Sanjay Chaudhari, "Colchicine for the Treatment of Gout", Drug Details: Skeletomuscular, Integumentary & Endocrine System, Volume-I First Edition, February 2024.

Project Details

Formulation, Evaluation, and Development of Sustained Release Multiparticulate Capsule

- Formulate sustained-release capsules of Colchicine using appropriate excipient and techniques.
- Evaluate the sustained release profile of the formulated capsules to ensure controlled drug release over an extended period.
- Assess the protective effect of the sustained-release capsules against anti-gout medication through comprehensive in vitro and in vivo studies.
- Optimize the formulation parameters to achieve desired release kinetics and therapeutic efficacy.
- Establish the scalability and manufacturability of the developed sustained-release capsules for potential commercialization.

DECLARATION

I hereby declare that all the information furnished above is true and exact to the best of my knowledge and belief. I also understand that any discrepancy found in the above information will render me liable for cancellation of candidature debarment.
