WORK EXPERIENCE

[10/02/2020 – Current]

Senior Patent Associate

LexOrbis Intellectual Property Law Firm

City: New Delhi | **Country:** India

- Representing clients in hearings before the Controller to advocate successful grant of patent applications
- Drafting comprehensive written responses to address objections raised in the Hearing Notice; ensuring all regulatory requirements are met
- Formulating and presenting legal arguments to address objections raised in the First Examination Report (First Office Action) issued by the Indian Patent Office
- Conducting thorough patentability searches prior to filing applications to identify potential prior art and reducing the risk of pre-grant opposition
- Overseeing the submission and prosecution of National Biodiversity Authority (NBA) applications, ensuring compliance with biodiversity regulations for the use of biological resources in inventions
- Providing legal advice on the commercialization of the biological resource-based product in view of Biological Diversity (Amendment) Act, 2023 and associated Rules, 2024, outlining key obligations for clients
- Responding to client queries related to the provisions of the Indian Patents Act.
- Drafting affidavits to submit additional data to the Indian Patent Office during the patent prosecution process
- Preparing sequence listing as per WIPO standard ST. 26 which defines the nucleotide and amino acid sequence disclosure in a patent application required to be included in a sequence listing in XML (eXtensible Markup Language) in order to apply for patent application based on sequence listing with the Patent Office

[10/2018 – 01/2020]

Research Associate

AnovIP

City: New Delhi | **Country:** India

- Evaluating patent applications
- Overseeing patent prosecution procedures
- Performing patentability assessments for proposed inventions
- Drafting reports on patentability search results

[08/2018 – 10/2018]

Intern

Patentskart (Start Up)

City: Panchkula | **Country:** India

- Gained proficiency in using both paid and free databases for patentability searches
- Acquired skills in constructing key search strings
- Conducted patent analysis
- Prepared reports on patentability search findings
